Pursuant to this Court's April 16, 2014 Order (Dk 14), the Parties jointly submit this Status Report.

1. The Parties in the underlying lawsuit captioned *Sandra Bullock v. Toywatch USA, et al.*, and to the JAMS Arbitration captioned as *Sandra Bullock v. United States Jewelry Liquidators et al.*, currently pending in the Judicial Arbitration and Mediation Services ("JAMS") Santa Monica Branch, have reached a tentative settlement and are in the process of preparing a written settlement agreement. A draft global final and confidential settlement agreement (the "Agreement"), has been exchanged by the parties.. It is contemplated that, upon approval and execution, the Agreement will resolve all disputed matters between the parties to these above-referenced actions, as well as a further declaratory relief action pending in state court, in their entirety. As pertinent here, it is anticipated that the Agreement will resolve this Declaratory Relief action, which will be dismissed.

2. The parties hope to have the Agreement approved and executed by the end of this week, the week of May 12, 2014, at which time a dismissal of this action will be filed by Plaintiff Federal Insurance Company. Under the draft terms of the Agreement, that dismissal will be filed, as required under the terms of the Agreement, within ten (10) business days of the effective date of the Agreement, i.e., that date upon which all parties have signed the Agreement.
